Re: Lennar Urban, Letter of Support

Attention: Ms. LaShon A. Walker

To Whom It May Concern:

My name is James Adams. I am an entrepreneur and have been in business for six years. My company is Adams Smoked Meats & Catering. I have been fortunate enough to work with Lennar Urban on many occasions over the last five years. I am greatly impressed with Lennar Urban because I know that they work for the good of the community. I have catered many meetings that they held for minority contractors in the Hunter's Point Naval Shipyard. Additionally, I have catered several seminars where they work to prepare community members and students for upcoming jobs in their community.

I appreciate Lennar Urban for supporting me and for the many catering jobs they have allowed me to do, as a local Small Business Owner. I cannot express my gratitude and appreciation enough. I look forward to continuing a business relationship with Lennar Urban.

Sincerely yours,

James H. Adams
