Lennar Urban
c/o Ms. La Shon Walker, Director of Community Affairs
One Sansome Street, Suite 3200
San Francisco, CA 94104

Dear Ms. Walker,

We want to thank you for the continuous support from Lennar Urban in partnership with the Bay Area Deputy Sheriffs Charitable Foundation making the Back To School possible and Christmas Dream reality for over 400 low income children and families from the Bay View Hunters Point District since 2010.

With your support, we were able to provide backpacks, school supplies and clothing shopping that made Back To School possible for over 200 disadvantaged students from the Bayview. In addition, your support and the volunteers brought the Christmas Dream reality for over 200 low income children and their families. This program helps them appreciate the partnership between the business community and the law enforcement showing the children how together we care for their welfare and development. We have followed several children from past events through their graduation from high school. They have told us that the Deputy Sheriffs' programs gave them the incentives and encouragement to do better at school and in life.

We want to offer you and Lennar Urban same partnership as Lennar Urban has given to the BADSCF and the community that needed the help most.

Please feel to contact me at david.wong@deputysheriffsfoundation.org or my direct number at (415) 725-8688 should you need anything else.

Thank you again and we look forward to continuing our partnership with our business community and leaders like you.

Sincerely,

Shedrick McDaniels, President

David Wong, Executive Director
