Re: Letter of Support for Lennar Urban

It is my pleasure to submit this letter of support for Lennar Urban, on their application as developer of the Concord Naval Weapons Station.

During my tenure as Captain of the Bayview Station from 2009 to 2011, Lennar shown itself to be a willing community partner. Since that time, Lennar has continued to demonstrate a commitment to being more than simply building housing in the neighborhood, but also being a member and supporter of the community. The Lennar team has worked well with the SFPD in any number of ways, and has accepted a shared responsibility for the issues that tend to exist with construction projects.

I have no doubt that should Lennar is chosen to develop the Concord Naval Weapons Station, it will integrate itself into the Concord community just as it has done in the Bayview, and throughout San Francisco.

If you need additional information about Lennar Urban, please feel free to contact me at 415-837-7000.

Sincerely,

A handwritten signature in blue ink that reads "Greg P. Suhr".
